*Your Dedicated Sink, Faucet & Fabrication  
Tool Supplier*

## Our Commitment

We are committed To Evolving with the newest trends in our trade by offering a diverse line of high quality products to our customers. As a company our customer's needs are very important to us and we value each and every customer as if they were our only customer. Highest standards in service, quality and integrity are of the utmost importance and we realize our success is directly related to the success of your business. A long term, successful working relationship is what we will always strive for. With much gratitude in your support we would like to take this opportunity in thanking you.

Kindest Regards,

Nicole Weimer and the Evolution Sink Family

Stone Industrial Supplies carries a "NO HASSLE" LIMITED LIFETIME WARRANTY ON CHEF SERIES and UNIVERSE SERIES sinks to be free of all manufacturing defects under normal use.

#### LIMITED SINK WARRANTY

Stone Industrial Supplies will replace without charge, (excluding labor) any Stainless Steel or Porcelain sink supplied by us that is proven to be defective, with an equivalent replacement, within the specified appropriate period from date of purchase, to the original owner, provided it has been used solely in a residential application and installed in accordance with our installation instructions, used and cleaned as recommended, and not damaged due to abuse, misuse, or negligence. (In the event of a warranty claim, the owner will be required to provide proof of purchase - save sales receipt.)

This warranty will not cover any damages which might be caused by the product. (Some states do not allow such limitation, so this reference may not apply to you.)

Stone Industrial Supplies reserves the right to inspect any sink reported to be defective prior to replacement of the sink. All decisions are final. Replacement cost EXCLUDES transportation and any labor costs for the removal or reinstallation.

Stone Industrial Supplies shall not be liable in case of:

- \* Improper installation/modification
- \* Damages resulting from abuse, such as heavy impact or dropped objects
- \* Improper care or maintenance
- \* Improper applications (such as exposure to corrosive chemicals, photographic solutions, etc.)
- \* Any modifications made to the product after it has left Stone Industrial Supplies' premises
- \* Commercial application
